

ENZWEILER
BUILDING INSTITUTE

BECOME A LICENSED JOURNEYMAN PLUMBER

Your Future in Plumbing Starts
at the Enzweiler Building Institute!

Start your journey toward a high-demand career as a licensed plumber. At the Enzweiler Building Institute, we provide the education, hands-on training, and support you need to excel in the industry and achieve your licensure in Kentucky.

Why Choose Enzweiler?

- ✓ **Wages:** the average wages for a licensed journeyman electrician in Greater Cincinnati is \$66,955 and increased 29% in the last 5 years according to payscale.com
- ✓ **Accelerated Career Path:** Get the skills and knowledge you need to succeed and advance quickly in the plumbing profession.
- ✓ **Affordable Tuition Options:**
Use Kentucky Educational Excellence Scholarship (KEES) funds to reduce your tuition costs.
Leverage Veterans Administration benefits to support your training.
Access Workforce Innovation and Opportunity Act (WIOA) funding for additional financial support.
- ✓ **Unmatched Guarantee:**
Your success is our priority! If you graduate, take the Kentucky plumbing licensure exam within three months, and don't pass, you can retake your final year for free.

Your Path to Becoming a Licensed Plumber

1. Comprehensive Training: Learn from industry experts in a hands-on environment that mirrors real-world plumbing work.
2. Licensure Preparation: Graduate ready to pass your plumbing licensure exam on your first try.
