

RESTORE THE PAST. BUILD YOUR FUTURE.

Are you passionate about preserving history and creating beauty that lasts for generations? Train to become a Historic Renovation Professional and learn the skills needed to restore and maintain historic structures while building a rewarding career in this specialized trade.

WHY CHOOSE THE COVINGTON ACADEMY OF HERITAGE TRADES?

- **Hands-On Training:** Work directly with skilled tradespeople in a practical learning environment.
- **Real-Life Learning Labs:** Gain unparalleled experience by working on actual historic homes and structures, bringing history to life through your craftsmanship.
- **Specialized Skills:** Learn traditional techniques in masonry, carpentry, and restoration tailored to the unique needs of historic preservation.

ACCESSIBLE FINANCIAL SUPPORT:

- **Kentucky Educational Excellence Scholarship (KEES)** funds available.
- **Veterans Administration (VA)** benefits for qualifying students.
- **Workforce Innovation and Opportunity Act (WIOA)** funding to help cover costs.

BENEFITS OF A CAREER IN HISTORIC RENOVATION:

- **High demand** for professionals skilled in preserving historic structures.
- **Opportunities** to work on meaningful projects that celebrate cultural heritage.
- **Develop expertise** in a niche trade that stands out in the industry.

YOUR PATHWAY TO SUCCESS:

- **Expert Instruction:** Learn from seasoned professionals dedicated to the art of historic preservation.
- **Hands-On Labs:** Build your skills through real-world experience in historic neighborhoods.
- **Job-Ready Skills:** Graduate prepared to take on exciting and specialized projects in historic renovation.
